LA
DOLCE VITA®

Our new La Dolce Vita® range echoes the understated elegance of a relaxed Italian lifestyle. The collection's beauty is balanced between geometric shapes and forms inspired by the natural environment. Classic tapered design elements and sensual curved edges elegantly separate the products out of the crowd.

The evolution of an icon

TIPO-Z

The Tipo-Z totem basin enters the Atelier Collections as an elegant protagonist in a new vision of the bathroom. The basin is a striking reinvigoration of Ideal Standard's mid-century Zeta basin, but this time produced as a single, fluent piece of fine ceramic.

Interpreting purity

LINDA-X

Linda-X is a reinterpretation of Ideal Standard's Linda collection, originally created in the 1970s. Revitalised for the modern era, the collection stands out for its super-light design, featuring fine, curved lines crafted to make a delicate yet dramatic impact. Made from durable Diamatec® material, Linda-X beautifully meets the needs of contemporary living.

Impossibly fine, effortlessly strong

Striving to achieve the most thin and precise designs in ceramics, Diamatec® was developed using a unique blend of alumina and chamotte. The result is a new material that allows to achieve the near impossible: highly complex and challenging designs with unprecedented strength and durability.

The embodiment of elegance

CONCA

Conca is a minimalist, yet sensual collection inspired by Ideal Standard Conca basin of the 1970s - a range that introduced considered design to the world of the bathroom. Smooth corners and flat, rectangular shapes give the basins and taps their distinctive aesthetic, adding understated style and quiet luxury to the bathroom.

Uncompromising geometry

EXTRA

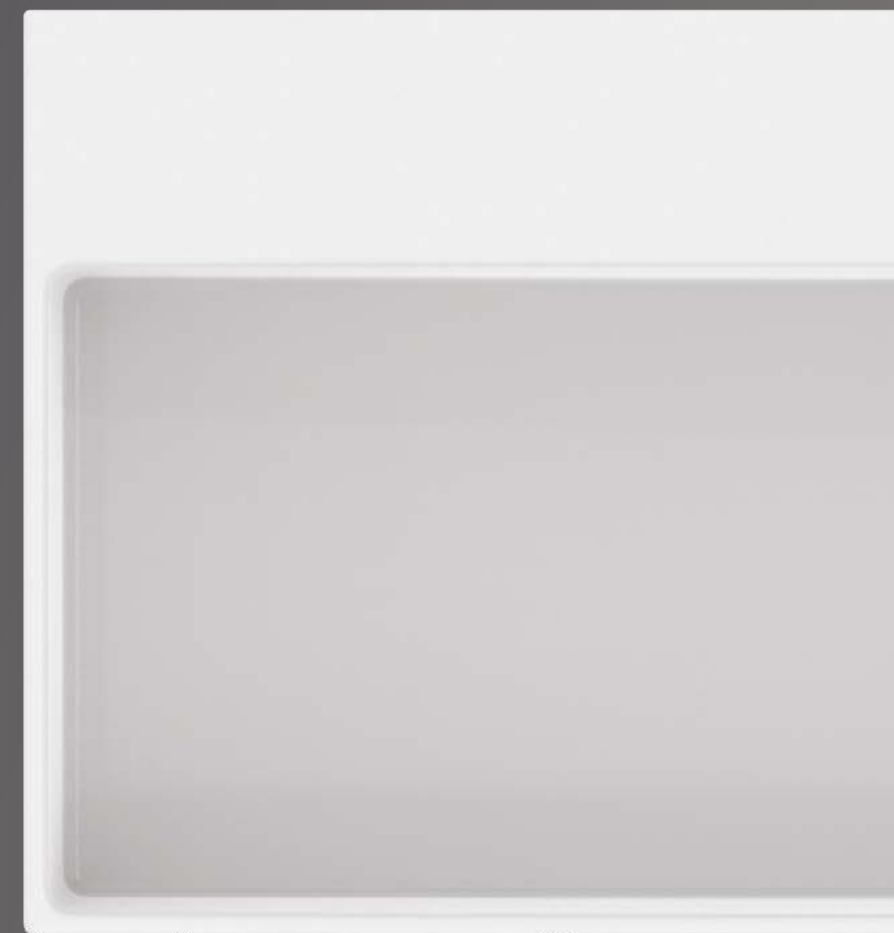

The Extra collection elevates geometric design, showcasing a striking angular aesthetic that seamlessly and harmoniously adapts to its surroundings. The range exemplifies uncompromising precision and sculptural lightness, characterised by defined, thin edges, rectangular shapes and flat surfaces.
